

RAIMOL GELO 20W50 SL/CF

Gasoline Engine Oil 20W50 API SL/CF

Product Description

GELO 20W50 SL/CF is premium-grade motor oil formulated from high viscosity index base oil and high performance additives designed to provide excellent engine protection and cleaner engine to assure longer engine service life.

Applications

-Fully formulated gas engine oil for gasoline and CNG/LPG fuelled spark ignition engines where conventional API SL passenger car motor oils are recommended. For naturally aspirated and turbocharged petrol engines in passenger cars. For diesel engines in passenger car and light commercials requiring API CF/SL classification.

Performance Features

- Dependable wear protection helps extend engine life.
- Excellent engine cleanliness, higher detergency.
- Reduces oil consumption.
- High oxidation resistance, longer oil life and greater resistance to oxidative thickening.
- Superior viscosity retention High 'VI' (Viscosity Index) ensures adequate viscosity at all operating temperatures.

Physical and Chemical Properties

Appearance:	Clear
Physical State:	Liquid
Colour:	Red
Odour:	Mild
Flash Point:	212°C
Density (kg/li):	0.890
Water Solubility:	Insoluble
Viscosity @ 40:	Typical: 160.0 cst (centistokes)
Viscosity @ 100:	Typical: 16.5 cst (centistokes)

Health and Safety

This product does not pose a health or safety hazard when used in the recommended application and when proper industrial safety practices are observed. As with all industrial oils and lubricants, prolonged contact with skin should be avoided, especially with used oils. Wash skin with soap and water after contact. Take used oil to an authorized government accredited recycler. See GELO 20W50 API SL/CF MSDS.

Packaging

18 liter container and 200 liter drum.
