

## RAIMOL MEGA GOLD 5W40

Fully-Synthetic, 5W40 Motor Oil SL/SM/SN CJ-4

### Product Description

**MEGA Gold 5W40** is specially formulated for the lubrication needs of gasoline and diesel cars and light trucks. Formulated with advanced RAIMOL synthetic base stocks, premium additives and a 5W-40 viscosity rating, RAIMOL MEGA GOLD is the preferred oil for Asian, American and European automobiles. RAIMOL MEGA GOLD is highly versatile for multiple applications.

### Applications

- It is recommended for gasoline or diesel vehicles requiring API SL/SM/SN/CJ4 or lower classifications. Recommended for the extended drain intervals established by the vehicle manufacturer or extend based on oil analysis.

### Performance Features

- Maximum Engine Protection - 100% Synthetic formula contains high quality anti-wear additives.
- Superior Engine Cleanliness to prevent sludge and varnish deposits for reduced oil consumption, extended engine life and maximum overall performance.
- Outstanding thermal and oxidation stability to reduces oil aging allowing extended drain interval protection.
- Maximized Oil Performance – Formulated with RAIMOL OSA –an oil stabilizer that allow motor oils to maintain a higher degree of lubricity.
- All Season Performance - the broad 5W40 viscosity rating, low volatility (burn-off) and wax-free nature make it excellent for hot and cold temperatures. Engine wear is reduced, oil thickening is controlled and vehicles start easier in cold temperatures.
- Enhanced TBN quality reserve that helps to deposit control and extended drain capability.
- Outstanding resistance to corrosion.

### Physical and Chemical Properties

Appearance:	Clear
Colour:	<b>Minimum:</b> Light 3.0 <b>Maximum:</b> Light 4.0
Odour:	Mild
Flash Point:	>230°C
Density (kg/li):	0.875
Solubility (Water):	Insoluble
Viscosity @40:	<b>Typical:</b> 90.0cst (centistokes)
@100	<b>Typical:</b> 14.0cst (centistokes)
Total Base Number(mg KOH/g):	<b>Typical:</b> 10.6

### Health and Safety

This product does not pose a health or safety hazard when used in the recommended application and when proper industrial safety practices are observed. As with all industrial oils and lubricants, prolonged contact with skin should be avoided, especially with used oils. Wash skin with soap and water after contact. Take used oil to an authorized government accredited recycler. See MEGA GOLD 5W40 MSDS.

### Packaging

18 liter container and 200 liter drum.
